EDUCATION

Vellore Institute of Technology

Bachelor of Technology in Computer Science and Engineering; **GPA: 7.9/10**

Sept. 2023 – July 2027

Amaravati, India

EXPERIENCE

Face Prep

Full Stack Developer Trainee

May 2025 – July 2025

Coimbatore, India (Remote)

- Developed and deployed multiple **full-stack applications using the MERN stack** (MongoDB, Express.js, React, Node.js)
- Engineered responsive and user-friendly front-end interfaces with **React and Tailwind CSS**, ensuring cross-browser compatibility
- Architected and implemented **RESTful APIs with Node.js and Express.js** for seamless data communication with MongoDB database
- Leveraged **Git for version control** and collaborated on projects using GitHub workflows, including branching and pull requests

SKILLS

Languages : JavaScript, Python, Java, HTML/CSS, SQL

Frontend : React.js, Tailwind CSS

Backend : Node.js, Express.js

Databases : MongoDB, MySQL

ML/Data Science : NLTK, VADER Sentiment Analysis, Plotly, Pandas

Tools & Platforms : Git, GitHub, VS Code, Streamlit, Render, Vercel

PROJECTS

Enterprise Reputation Intelligence Dashboard

- Engineered a high-performance sentiment analysis system using **VADER algorithm to process 1.6M records** into positive, negative, and neutral categories with sub-second latency
- Developed a **fault-tolerant data loading engine** with automated fallback mechanisms ensuring 100% dashboard uptime during data outages
- Built a responsive dark-mode dashboard with dynamic filtering, sector segmentation, and time-series visualizations using **Streamlit, Plotly, and Pandas**
- Live:** [Demo](#) | [GitHub](#)

FoodPrep - Full-Stack Food Ordering Platform

- Engineered a full-stack food ordering platform enabling users to browse restaurants, manage orders, and complete payments with **real-time order tracking** and JWT authentication
- Built a comprehensive **admin dashboard** for restaurant owners to manage menus, track orders, and view sales analytics
- Deployed using decoupled architecture with React front-end on **Vercel** and Node.js/Express back-end on **Render**

ACHIEVEMENTS & AWARDS

1st Place, National Level Math Exam

Secured 1st rank among thousands of participants; Awarded tablet and gold medal

Private Organization
